

# FLORAL MIST PALETTE

Purple is the new black. From runways to red carpets, purples are making their mark and the Floral Mist Palette is one that no woman should be without. It is the perfect accessory with five complimenting easy-to-use shades that are soft and feminine. Shades work beautifully alone or in any combination, and can take you from day to evening, all with the stroke of a brush.

## Product Profile/Features & Benefits:

- "All-in-one" allows for eyes, cheek and lip colour together.
- Versatility - Allows for multiple looks to be achieved with one product.
- Offers beautiful, easy-to-use colours
- Each shade is easy to apply and blends with ease.
- Rich texture and pigment gives long wearing eye colours.
- The soft natural blush gives you the perfect glow.
- Soft shimmer highlights the cheekbones and adds contour and definition to the face
- The sheer beautiful lip crème offers the perfect accent to your own natural lip color
- The Lip colour glides on smooth and creamy and offers a long wearing natural sheen

## Key Ingredients & Functions:

### LIP COLOUR

#### Vitamin E:

- natural moisture binder which works to keep the lips hydrated and aids in skin elasticity
- a powerful anti-oxidant that stops damaging free radicals from aging the delicate skin

#### Jojoba Seed Oil:

- An excellent moisturizer that offers superior protective qualities
- Calms and soothes the lips

#### Algae Extract:

- nourishes and aids in the restoration of proper moisture levels
- enhances skin smoothness; increases elasticity and firmness
- nourishes and promotes skin hydration as well as tightening of the skin
- strong anti-inflammatory properties that calm and soothe the skin
- contains vitamins A, C & E which activates the forming of collagen & elastin; help to increase circulation; and work as an anti-oxidant to stop environmental damage
- antiseptic & anti-inflammatory properties.

#### Aloe Barbadensis Leaf Extract:

- offers excellent soothing & calming effects to the skin
- Gives needed nutrients to feed and replenish skin cells
- Calming and soothing on the most sensitive of skins
- Offers superior skin hydration & helps tighten the skin
- carrier of vitamins & other anti-aging nutrients
- aids in the restoration of proper moisture levels

### EYE COLOUR AND BLUSH

- contains vitamins A, C & E which activates the forming of collagen & elastin; help to increase circulation; and work as an anti-oxidant to stop environmental damage
- antiseptic & anti-inflammatory properties.

#### Aloe Barbadensis Leaf Extract:

- offers excellent soothing & calming effects to the skin

- Gives needed nutrients to feed and replenish skin cells
- Calming and soothing on the most sensitive of skins
- Offers superior skin hydration & helps tighten the skin
- carrier of vitamins & other anti-aging nutrients
- aids in the restoration of proper moisture levels

**Application Tips/Directions for use:**

- Apply Jasmine eyeshadow alone for an incredibly natural daytime look, or just to brighten the eye area
- Orchid eyeshadow is the perfect accent for your eyes – be creative.
- Use a fine powder brush with African Violet to create a beautiful liner on top or all around the eyes
- Wear Tea Rose blush on both eyes and cheeks with a touch of Tulip lip cream for a soft monochromatic look
- Tulip lip crème can be softly applied onto lips with fingers for a light, sheer application or used with a brush for full, bold colour
- Add your favorite Sonya Lip Gloss on top of Tulip Lip Crème for stunning sheen and colour
